## STATUS REQUEST

Applicant requests for a status on the Utility Patent Application filed on April 3, 2000. The following procedures occurred:

1. Applicant received a Decision on Petition dated April 16, 2004 from the Office of Petitions granting Applicant's petition to revive the above-identified application (copy attached).
2. The Decision on Petition indicated that the application file was being forwarded to the Office of Patent Publication for processing into a patent.
3. The issue fee of \$1,330 has been charged to Deposit Account No. 50-0831.

We have received no further correspondence regarding this application.  
Therefore, please advise us of the status of this application. This request is made to avoid any lack of diligence attributed to the Applicant.

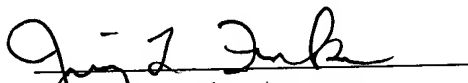

Please direct all future correspondence to:
